Equality, Inclusivity and Diversity Policy

Nottingham Croquet Club is inclusive and accessible to all. Our culture and practices welcome diversity and promote equality of opportunity. We will do our best to help everyone to reach their full potential in our sport, no matter what challenges they may face.

We are proud of our sport's long-established, high standards of integrity and fair play and we will strive to maintain them.

We will tackle all forms of discrimination and we will ensure everyone involved in our club understands that direct or indirect discrimination, harassment, victimisation, bullying or lack of respect for others will not be tolerated.

Our equality, inclusivity and diversity policy protects people from discrimination on all grounds, including but not limited to:

Race

Gender

Sexual orientation

Disability (or something connected with their disability)

Religion or belief

Age

If anyone has cause for complaint or concern they should raise the matter with the club President, Chairman or Welfare Officer and it will be investigated in a timely, confidential and sensitive way.

Nottingham Croquet Club, as a member of the sport's National Governing Body, the Croquet Association, subscribes to its Inclusivity, Diversity and Equality policy, which can be viewed in full at [Inclusivity, Diversity and Equality Policy \(croquet.org.uk\)](https://croquet.org.uk)
