More about CA membership

Unless you are already a member of the CA, by joining the club as a playing member you will also become a Standard member of the CA, and the contact details you have supplied will be made available to fellow members of the club and officials of the CA. Such information will be stored securely by the club and the CA. This allows all parties to communicate, helps us to arrange matches, enables the CA to send you the Croquet Gazette, eNewsletter and allows you to use their Tournament Entry System, obtain a discount in their on-line shop and vote in elections.

In addition, and with your agreement, your contact details will be included in the CA's online directory of members. This will only be available to fellow members of the CA and we recommend that you consent to it.
